

EC Declaration of Conformity

We: OECO, LLC
4607 SE International Way
Milwaukie, Oregon 97222
United States of America

as the manufacturer assume sole responsibility issuing this declaration based on sample product type-test, using AS/EN/JISQ9100:2009 and ISO9001:2008 Quality Management System, and hereby declare that the:

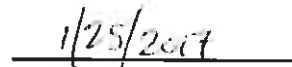

4100 Series Handheld ELF Gauss / Teslameter (4180 & 4190 Models)

Meet the intent of Directive 2014/30/EU for Electromagnetic Compatibility, the Low Voltage Directive 2014/35/EU and RoHS 2011/65/EU. Compliance was demonstrated to the following specifications as listed in the official Journal of the European Communities.

EN 61326-1:1997+A1:1998	Electrical equipment for measurement, control and laboratory use EMC requirements
IEC 61000-4-2	Electrostatic Discharge (ESD) Immunity
IEC 61000-4-3	Radiated Electromagnetic Field (RF) Immunity
EN 55022 Class B	Radiated and Conducted Emissions
EN 50581:2012	Restriction of the use of Hazardous Substances

On behalf of OECO, LLC,

Signed: Steve Franceschini
Director of Engineering

Date: 1/25/2017
